mother Russell.

When you have the information compiled I hope I may make a copy.

If I can be of any help with the work please let me know. I will gladly do what I can.

It isn't through lack of interest that I do not appear at the reunions. In recent years the woolen business has taken all the hours of about every day. If ever business returns to normal, I will be able to get away from the mill when I wish.

Russell Gurney Davies is in the army.

We wish you would come to see us sometime. With best regards

Sincerely, Russell D.
